

Professional Software Recommenders (PSRs)

APPLICATION FOR **PROFESSIONAL SOFTWARE RECOMMENDER**

Professional accountants are the best source of impartial recommendations of accounting software. They know their clients' businesses and know what type of accounting software their clients should use. This special plan lets a Professional Software Recommender (PSR) use Adagio in their own office so they can determine which of their clients might benefit from Adagio software.

Membership in the Adagio PSR program is limited to professionals with an accounting designation in a public accounting practice.

Each PSR will be matched with a Softrak Business Partner (SBP) who is authorized to resell Softrak products and provide services to end users.

Features of PSR Program

- ◇ Adagio software for own use.
Retail value over \$8,000 US / \$11,000 Cdn.
